Warrant
The State of New Hampshire

The Election Poll hours will be from 3:00 p.m. to 8:00 p.m. at the Errol Consolidated School.

The Town Business Meeting will start at 7:00 p.m. at the Errol Consolidated School.

To the inhabitants of the Town of Errol, in the County of Coos, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Errol Consolidated School in said Errol on Tuesday, the eleventh day of March, next, at 7:00 p.m. of the clock in the evening to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. Shall we modify the elderly exemptions from property tax in the Town of Errol, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$5,000.00; for a person 75 years of age up to 80 years, \$10,000.00; for a person 80 years of age or older, \$20,000.00. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$13,400.00 or if married, a combined net income of less than \$20,400.00; and own net assets not in excess of \$35,000.00 excluding the value of the person's residence. (By written Ballot)
3. Shall we adopt the provisions of RSA 31:95-c to restrict 50% of revenues from the Ambulance billing to expenditures for the purpose of payments towards a New Ambulance? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Ambulance Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (By Ballot, Majority Vote Required) (Recommended by Board of Selectmen)
4. To see if the Town of Errol will vote to raise and appropriate the sum of \$80,000.00 for the purchase of an ambulance vehicle and equipment, and to furthermore authorize the Selectmen to issue bonds or notes in the amount of \$80,000.00 in accordance with RSA 33 and to determine the rate of interest thereon for said purchase. (By Petition) (2/3 vote required by written ballot)
5. To see if the Town will vote to raise and appropriate the sum of \$80,000.00 for the purchase of a new ambulance vehicle and equipment. (By Petition) (Majority vote required)

6. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

LIBRARIAN'S REPORT - 1996

The trustees and I want to thank everyone for their contributions to the library this past year, whether in donated time, money, books, or videos. Special thanks to Errol Enterprises, Errol Restaurant, and Garrow's Market for donating prizes again for the summer reading program. Thanks again to Santa Claus for his return visit to story hour. Thank you to the Errol School Association and the Friends of the Errol Library for cooperating in bringing storyteller Daffd Lint from Orono, Maine to Errol as part of our summer reading program. And special thanks to Meri Tivey, Nancy Bourassa, Tammy Kenney, and the Friends of the library for another great year of preschool story hours.

The Kiwanis Club of Colebrook presented a \$200 check to the library for the purchase of children's books; we were able to add 21 books to our children's collection. We held a book fair through Wonderland Book Store through the month of August at the library, and earned some new books for story hour and the adult collection.

According to the latest N.H. Library Statistics, Errol again has the highest per capita circulation in the state, at 40.06.

The Friends of the Library have been active all year in fund raising and programming. They sponsored the following programs in 1996:

Saturday movie matinees for children

Candy making demonstration with Ruth Grant

Rubber stamping workshop with Teri Tremblay

Quilt Show at the town hall, which drew people from all the New England states and beyond

Silver Tea/Annual Meeting with a visit from N.H. author Rebecca Rule and her husband

The Friends' latest undertaking is the purchase of a new computer system for the library, for in-house use and public access. (This is the "Income anticipated from grants and gifts" so the library will gain a new computer system at no cost to the taxpayers. Another huge thank you to the Friends!

Respectfully submitted,

Melinda Hawkins, Librarian

Report of the Errol Police Department
-1996-

To the Citizens of the Town of Errol,

1996, has been an exciting year for the Errol Police Department.

Our overall demand for service is on a significant increase, largely in part to the great influx of tourists and commuters, and patrols at peak times and periods, with accessibility of four officers. This allowing one of us in part to be on call a greater percentage of the time and advocating a more flexible part time department.

With the addition of the cruiser and staff, I feel we are able to offer the citizens a more secure and adaptive town in which to live.

A sincere heartfelt thanks goes out to all the agencies and personnel who have made our year so successful. Although to numerous to mention, in name, those of you who have provided support to us in whole or in part, it would not have been possible without your support and endless efforts.

I am in realization that not all can be pleased with the work in which a police officer does, but with the guidance of NH Police Standards and Training, our own training and beliefs, and the governing body of the Town of Errol, we try our utmost to uphold the laws, that have been enacted by the State of New Hampshire.

Respectfully submitted,

Report of the Errol Rescue Squad - 1996

The Errol Rescue Squad was formed in 1983 by three EMT's who wanted to alleviate the lack of immediate pre-hospital emergency care in our area. For the first several years, these people operated with a small amount of their own equipment and their own vehicles. They answered calls for aid and gave patient care while waiting for a transporting ambulance squad to arrive.

As word of their effort spread, businesses and individuals began to donate funds to buy supplies and equipment and the number of volunteers on the squad began to slowly grow. The residents of the Town of Errol generously voted to construct space for the squad when the fire station was renovated, and also voted to provide some financial support.. When the Town of Pittsburg purchased a new ambulance, they made the unbelievable decision to donate their used one to the squad.

The squad has functioned as a FAST (First Aid and Stabilization Team) for most of its history. State of New Hampshire EMS law requires that at least two licensed ambulance attendants be present in order to transport a patient, and for many years the squad did not have the membership numbers to meet this requirement. The squad now numbers 7 EMT's and 7 First Responders. At this time, 3 EMT members are involved in training to upgrade their certification to EMT-Intermediate, which includes I.V. training and limited medication administration, and 2 First Responder members will begin EMT-Basic training at the end of the month. Therefore, we feel that we now have the manpower required to staff a transporting ambulance service. We were also able to increase call response with the purchase of additional portable radio units. All squad members now have these, and each call received is put out over the Town radio frequency to alert members to respond.

The vehicle which was donated to our squad and is currently in use is a 1979 Ford van-type ambulance. It has problems with both the electrical system and the engine. It is not consistently mechanically reliable enough to make the trip to either Berlin or Colebrook, where our two receiving hospitals are located. Colebrook Ambulance, Milan-Dummer Ambulance, and Berlin Ambulance are all used at this time to transport patients to these facilities. If the Errol Rescue Squad had a reliable vehicle at its disposal, every patient we were called to assist in the past year could have been transported by the squad. This would also mean that the patients could have been billed by our squad, which would generate revenue. However, the most important concern felt by the squad is that of patient care. If we were able to transport patients it would eliminate the transport delay that now occurs while we are waiting for another service to get a crew together and respond.

In order to gauge public opinion in regard to this problem, an informal public meeting was held in early December. The squad sent letters to many area businesses and towns as well as the county officials inviting them to this meeting. Residents and representatives from Errol, the Unincorporated Places, Upton, and Dartmouth College attended and discussed their concerns and ideas. There was unanimous support for the squad's goal of becoming a transporting ambulance service.

The squad has been in contact with 6 ambulance distributors. Of these, 3 have shown interest and have supplied us with information. One has brought an actual ambulance vehicle for our inspection, and another will follow suit in the next few weeks. This information is available for anyone who is interested. We would also like to thank John and Gladys McEwan for their help in searching military surplus through their son.

The Errol Rescue Squad has always made efforts to raise funds, and will continue to do as much fundraising as possible. We would like to thank everyone for their support.

TRANSMITTAL AND COMMENTARY LETTER

May 30, 1996

Board of Selectmen
Town of Errol
Errol, New Hampshire

Members of the Board:

In planning and performing our audit of the financial statements of the Town of Errol, New Hampshire for the year ended December 31, 1995, we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance of the internal control structure.

However, during our audit we became aware of the following conditions that should be corrected in order to strengthen internal controls and operating efficiency. This letter does not affect our report dated May 30, 1996, on the financial statements of the Town of Errol, New Hampshire.

Our following remarks are being made in the hope that they will improve existing procedures and are in no way a criticism of Town personnel.

1. **Water Fee Reconciliation**

There were immaterial discrepancies in revenue and accounts receivable between the General Ledger and the records of the Water Department, which was primarily due to the lack of a reconciliation being performed between the respective funds.

Recommendation

The Water Department should reconcile with the General Ledger for total collections and accounts receivable on a regular basis. Also, the Water Department should obtain approval for any abatements of accounts receivable balances.

2. 1099's Not Being Issued by Town

The Town did not issue 1099's to subcontractors as required by law.

Recommendation

The Town should review the laws concerning the distribution of 1099's to subcontractors and issue them to those who qualify.

3. Trust Funds

It was noted that invoices paid for out of the Trust Funds are not being initialed by the Selectmen to indicate their approval and the invoices are not being canceled to avoid duplicate payment.

Recommendation

All disbursements should be reviewed by the Selectmen and their approval should be indicated on the invoice. At the time of payment the Trustee should mark all invoices "paid".

4. Library

The activity in the Library Fund reported in the annual report does not agree with the activity in the library ledger through December 31, 1995. Also, the Treasurer continued to record income and expenses in the 1995 ledger through February of 1996.

Recommendation

The Treasurer should be very careful that the information printed in the annual report is accurate and if there are unpaid invoices outstanding at the end of the year this should be noted separately rather than keeping the books open until they are paid.

We extend our thanks to the officials and employees of the Town for thier assistance during the course of our audit.

Very truly yours,

Francis J. Dineen & Co. CPA's

MESSAGE FROM YOUR BOARD OF SELECTMEN

Dear Townspeople of Errol,

This has been a year for changes and challenges but yet productive for your Board of Selectmen. We started this past year off with the stability of three Board Members who have been overseeing the starting and completion of a few projects. The Board was finally able to begin the new leachfield sewer system for the owners who are now hooked up to the town system and the project completed in early fall. This new system allowed us to expand the system to keep the current hooked on users and allow for approximately ten more building users to hook on. Information on hooking on to the new sewer system will be available in the Spring.

As the sewer project was being worked on, the State of New Hampshire Department of Revenue Administration had entered the town at the end of July to begin the long needed town wide revaluation. These Assessors worked hard and steady and completed there reviews by the first of September. The assessed values for all the properties were finally put into a booklet in early November for reviews with owners to take place in early December. After reviews in early December, tax bills were finally mailed out by the 15th of December being due on January 15, 1997. We thank the Department of Revenue and the owners of the property for their patience and cooperation during this period.

The Handicap Accessible Committee have been working hard all year to proceed on the Town vote of March 1996 to renovate the existing Town Hall. The drawings were finalized in the fall and bid went out on the project in December 1996. Unfortunately, after extensive review by the committee all bids were rejected. The architect and the committee went back to the drawings and changed a few things to try saving money. The second drawings were finalized in early February 1997 and bids went out. We now have the committee reviewing the bids to hopefully start the project in early Spring 1997. We would like to thank the volunteers of this committee in their time and effort in working with the architect to carry out the decision of the townspeople.

The Police Department is doing a great job in organizing the department and slowing down traffic and crime within our town. The department now has our current Police Chief, Dana Hinkley and three special officers, Everett Eames, Fred Gilbert and Keith Roberge. With all these certified officers on the department the Town of Errol has on call protection 24 hours a day. Fred Gilbert and Keith Roberge have successfully finished there training with NH Police Standards and Training in the fall of 1996. The cruiser that was voted in last year has saved a substantial amount of money for the town in mileage and insurance.

The Enhanced 911 system is in full swing. The town has finally put the street signs up in all areas of the Town that needed to be done. All our emergency vehicles are equipped with the town 911 maps for quicker response time to a call. In any emergency you can either dial 911 or call our local emergency numbers, which ever you prefer.

Unfortunately, towards the end of the year our town has had a few changes in positions. Eloise Lawton resigned as Selectmen at the beginning of December 1996, Eloise was an asset to the Board of Selectmen and we regret losing her. In a search for a new Selectmen, David Buckholtz had requested to be appointed until Town Meeting at the beginning of January 1997. He was appointed and had his name on the ballot for election in March. Unfortunately, an untimely death of David Buckholtz has left the Board of Selectmen without another Selectmen. David Buckholtz will be missed by all who knew him. Carlton Eames' position as Board of Selectmen is vacant and Carlton did not put his name on for re-election. So as it stands, going into Town Meeting election we have two vacant positions for Selectmen.

Another resignation from an elected position was Cheryl Lord, Town Clerk. Cheri had dedicated 10 years of her time to the needs of the townspeople of Errol. We are saddened by Cheri's decision of resigning and thank her for the hard work and time in the demanding needs of the town and state. We were fortunate that Cheri had been training a Deputy Town Clerk, Yvette Bilodeau, who has chosen to accept the appointed Town Clerk position by the Selectmen. Also, her name has been placed on the ballot for election in March for the first three year term of Town Clerk. We wish her the best of luck.

Early last spring it was in great regrets that we lost another member of our town and elected position. Steve Breeser was a Trustee of Trust Funds who had dedicated alot of time in effort in getting the Trustees to know there job and understand the reasoning behind it. Following the passing of Steve, his wife Marsha has resigned as Library Trustee.

We also have a great need for volunteers in on more elected positions and hope that the townspeople will take a good long look at the list and vote for someone who will be willing to take on an elected position who will want to spend time helping others in carrying out the vote of the townspeople.

In closing, the Selectmen have started a Citizen of the year award beginning in 1995. The recipient for 1995 was Everett Eames and for 1996 it was Virginia Lane. There was a dedication ceremony in late November and Master of Ceremony Robert Lord presented each person with a plaque of there own and showed them the plaque which will be placed in the Town Hall. This award will now be given each year before Town Meeting begins.

Your Board of Selectmen,

Carlton Eames
